

Contagious COACHING™

The best and most successful athletes, celebrities, and super star performers have had a coach that helped them get there. Isn't it time you had your very own professional "guide on the side"?

Whether you are a leader struggling with your own career path or team, or you're a business owner wanting to achieve greater success and results, Contagious Coaching™ is just the personalized guidance you need to succeed.

What do you get with Contagious Coaching™?

- Accountability and encouragement
- Freedom from what stands in your way
- Methods that move you beyond the bad habits
- Regular meetings or calls that fit your schedule
- Unlimited quick access to your coach between sessions
- One-on-one objective professional and personalized guidance
- The comfort of strict confidentiality and the freedom to be candid
- Feedback and direction on critical projects, documents or strategic plans
- Personalized review and direction for use of your CORE Profile® results

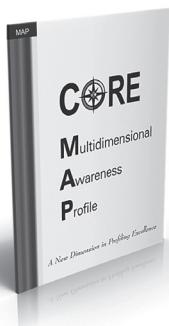

*"Great insight, ideas and innovation that provide motivation!
Thanks Monica for helping me succeed in business and in life
through your coaching"*

— Michael Mowdy, CLU®, ChFC®, State Farm Agent

Each Contagious Coaching™ program package includes the CORE Multi-Dimensional Awareness Profile®. Each Contagious Coach™ is a certified CORE Profile® Facilitator. Are you ready to see your results and do something with them that moves you closer to the goal? The answers to those "now what" and "how" questions are just a phone call away.

Wow! Coaching for as low as \$281? Yes!
