

THE *Contagious* CONFIDENCE™ Conference for Women

How To Take Care Of The Body You Have And Get The Body You Want

Your Seminar Leader

Your seminar leader **Monica Wofford** is the world's first non-motivational speaker who provides results instead of rah-rah. She is also a wife, a sister, a daughter, a

business owner, coach, author and lover of food. She uses every ounce of energy she has in her classes with engaging, interactive training methods, yet was not friends with a treadmill, until she met Wendy Chant. She now stays healthy so that she can remain the President of Orlando based training firm, Monica Wofford International, teach learners all over the world, and play with her polo horses, for years to come.

Wendy Chant, today's fitness authority, is a healthy living advocate—a fitness and nutrition expert and someone who "walks the talk". She is a former body-builder and marathoner, with a degree in Medical Sciences and

Nutrition Science. Founder of ForeverFit, and author of "Crack The Fat Loss Code" Wendy's commitment to helping those who wish to lose weight goes far beyond the body and incorporates simple techniques for healthy living through balance. Her knowledge about the body and logical approach brings proven results and the confidence to live life well.

The Contagious Confidence Conference for Women — Health and Fitness Focus is not an exercise class. It's not even a diet plan. It **IS** a one day conference on how to have less stress, better eating, and to actually use the knowledge that we have on how to have better bodies that we like and that work better for us.

"You should definitely attend a Contagious Confidence Conference! Monica makes the day fly by and made so many points that I was able to use immediately. Several weeks after I attended her conference, I was still using the techniques she taught us. She rocks and is certainly contagious!"
